

Cactus Hill Farm Customer Texting Program

1. The Cactus Hill Farm Customer Texting Program allows customers to communicate with staff via SMS texting. Staff will only be in contact with customers when they request information via online form and/or if they wish to be updated on their purchases via text.
2. You can cancel the SMS service at any time. Just text "STOP" to the short code. After you send the SMS message "STOP" to us, we will send you an SMS message to confirm that you have been unsubscribed. After this, you will no longer receive SMS messages from us. If you want to join again, just sign up as you did the first time and we will start sending SMS messages to you again.
3. If you are experiencing issues with the messaging program you can reply with the keyword HELP for more assistance, or you can get help directly by calling (719) 849-9164.
4. Carriers are not liable for delayed or undelivered messages.
5. As always, message and data rates may apply for any messages sent to you from us and to us from you. You will receive messages no more than daily when you are discussing your purchases unless you request additional information. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.
6. If you have any questions regarding privacy, please read our privacy policy.
